

ATTENTION ROADS & STREETS ATTENDEES ...

ADOT is currently reconstructing the traffic interchange at Ina Road and Interstate 10. Drivers should plan for the following restrictions and allow extra travel time:

- **All Ina Road ramps are closed.**
- Ina Road at I-10 is closed through early 2019. Ina Road, east and west of I-10, is open and ADOT is maintaining access to businesses in the work zone.
- The westbound I-10 off-ramp at Orange Grove Road has been shifted to Sunset Road through early 2019. Drivers must exit at the westbound I-10 off-ramp at Sunset Road to access Orange Grove Road.
- The westbound on-ramp and the eastbound on-and off-ramps at Orange Grove are open.
- All westbound I-10 traffic between Orange Grove and Cortaro roads has been shifted to the westbound I-10 frontage road through February 2018.
- All eastbound I-10 traffic between Orange Grove and Cortaro roads has been shifted to westbound I-10 through February 2018.

A map that illustrates the closure location is attached as a PDF document and available on the [project web site](#).
